Montagu Winery Wine Tasting Dinner

\$95 per person, plus tax & gratuity

Host: **Peter D. Kerr**, *Gourmet Wine Getaways' Wine Consultant*

The name Montagu is not well known in the wine world, having their family roots in the British automotive industry and Britain's first Automotive Museum. But, Montagu Winery's owner Weston Eidson is carrying on his Great Grandfather's spirit & zest for life and his Great Uncle's love of wine by founding this boutique winery in Napa Valley in 2012. His focus is on making extremely limited production wines that are richly layered, complex and yet, well balanced- expressing that same spirit and zest for life in each bottle. The wines are sourced from excellent vineyards in Napa, Sonoma & the Central Coast. Judging by the scores these wines are getting, he seems to have the right formula for success in the eyes of wine experts. But, don't take their word for it, join us and decide for yourself. Tonight, we will enjoy four of their highly regarded wines perfectly paired with the gourmet Indian cuisine of Akbar's Owner/Chef Avinash Kapoor. All the wines will be available for ordering at attractive prices. Reserve early!
